

## Logging Into Moodle for the First Time?

<http://moodle.pcsb.org>

Find the Login Box and use PCS Domain login.

It should automatically ask you to fill out a one-time profile.

Fill in the few red asterisk fields like this (only fill in the red asterisks) :

First name*	<input type="text" value="Sample"/>	Teachers should put their PCS Outlook email address. Students should put a non active email address such as: <a href="mailto: johndoe@mrsmithsclass.com">johndoe@mrsmithsclass.com</a> and change Email Activated to disabled
Last name*	<input type="text" value="Student"/>	
Email address*	<input type="text" value="samplestudent@noemail.com"/>	
Email display	<input type="text" value="Hide my email address from everyone"/>	
Email activated	<input type="text" value="This email address is disabled"/>	
City/town*	<input type="text" value="clw"/>	
Select a country*	<input type="text" value="United States"/>	
Timezone	<input type="text" value="America/New_York"/>	
Preferred language	<input type="text" value="English (en_us)"/>	

User Type*	<input type="text" value="Student"/>	Indicate your status in the district and your location.
School/Office*	<input type="text"/>	

Click **Update Profile**.

Click in **top left corner**

This brings you back to the front page.
